

ATTACHMENT - Amendments to the Specification

Please insert the subheading “Field of the Invention” before line 5 on Page 1 of the specification.

Please insert the subheading “Background of the Invention” before line 22, on Page 1 of the specification.

Please insert “Brief Summary of the Invention” before line 35 on Page 2 of the specification.

Please replace the paragraph beginning on line 35, on Page 2, with the following replacement paragraph:

The object of the present invention is to implement a method or protocol (herein referred to as a protocol) for entering, disabling and/or erasing scrambled data access rights, on the one hand to provide for an extremely flexible and fluid entered access rights control and management and, on the other hand, to significantly improve the level of security offered.

Please insert the subheading “ Brief Description of the Drawings” before line 24, on Page 5 of the specification.

Please insert the subheading “Detailed Description of Exemplary Embodiments of the Invention” before line 22, on Page 6.
